

Chris Pogue

President, MDA Government

Chris Pogue is President of MDA Government, with responsibility for the company's defence, Earth observation systems, enterprise IT, and government space robotics lines of business. Prior to joining MDA, Mr. Pogue served as Vice President, Mission Systems International and as Vice President Public Safety and Security Solutions at General Dynamics Mission Systems. Before joining General Dynamics, he was President of CAE Defence and Professional Services. Mr. Pogue's successful 20 year career in defence includes 18 years with the Royal Canadian Air Force before joining the private sector.

Mr. Pogue holds a B.Sc. in Physics and an M.Sc. in Physics and Oceanography from Royal Roads Military College in British Columbia, supplemented by executive education at the universities of York and Liverpool, and the Harvard Business School.
