

The Pacific Northwest Aerospace Alliance is a non-profit trade organization and our mission is to support the global competitiveness of the Pacific Northwest Aerospace Industry.

Nikki Malcom is the CEO & Executive Director of PNAA. She has been in the aerospace industry for 22 years in various roles in materials distribution, testing, and most recently manufacturing after starting a business during the pandemic. After serving on the board for 5 years, she has accepted the executive position with PNAA. Driven by her love of all things aerospace, she is dedicated to helping the aerospace industry thrive. She has a bachelor's degree in sales management and lives south of Seattle with her husband of 19 years.
