

**Mike Mueller** is President and CEO of Aerospace Industries Association of Canada (AIAC). Mike is a forward-thinking team builder who brings a wealth of government experience to the position, having advised Ministers in the Federal Government on a wide variety of policies and programs. Prior to joining AIAC, Mike held senior positions within Employment and Social Development Canada, Public Safety Canada, Foreign Affairs and International Trade, and Canada's Treasury Board.

Over the past decade, Mike has managed teams of employees and annual operating budgets of over \$2 million.

Mike also serves as Vice-Chair & Financial Controller for the International Coordinating Council of Aerospace Industries Associations. He sits on the board of the Canadian Council for Aviation and Aerospace and the Canadian Club of Ottawa.
