Grant Stevens, B. Comm, CPHR

Grant Stevens is the Chief Corporate Services Officer with KF Aerospace, a leading Canadian aerospace company with over 1000 staff that competes globally in aircraft maintenance & engineering, military pilot training, aircraft leasing, passengers & cargo flying.

As part of the Senior Executive team, he leads all business support functions at KF including Finance, Human Resources, Training, Payroll, IT, Facilities, Marketing & Communications.

Grant has spent over 30 years developing people solutions. He cut his teeth in forestry before flying over to aviation with KF in 2005. At KF he has led the organization through the covid pandemic, major business re-alignments, implemented innovative staffing solutions, and developed significant training partnerships.

Grant is an industry activist, formally chairing TransCDA in BC, currently sits on the board of the CCAA and works closely with ATAC.

A BComm (Honors) in Human Resources and Labour Relations from the UofM led Grant to become a Certified Professional in Human Resources 25 years ago, and he has been recognized as an HR professional of the year Finalist in BC, and most recently with a Distinguished Fellowship from Mohawk College.
