

**DR. HILARY CURRY**

GVA Practice Lead People & Change  
KPMG Canada

Dr. Hilary Curry leads the People & Change Practice for KPMG in Vancouver. For over 20 years, she has been helping organizations navigate their people and organization challenges. Her approach to working with clients is based on her extensive experience working internationally and she brings a common-sense cultural lens to real-world challenges. More recently, Hilary has been digging into organizational challenges in the new world of work, sharing those insights with clients, and building creative solutions to meet their unique needs.
